

Jiangsu Chiuchau Environmental Protection Equipment Co., Ltd.

TF-Series

TF, December 2025

Backward Inclined Centrifugal Impeller

Jiangsu Chiuchau Environmental Protection Equipment Co., Ltd. certifies that the TF series fans shown herein are licensed to bear the AMCA Seal. The ratings shown are based on tests and procedures performed in accordance with AMCA Publication 211 and AMCA Publication 311 and comply with the requirements of the AMCA Certified Ratings Program. All the Centrifugal Fans described herein are licensed to bear the AMCA Seal, and their certified ratings are shown on pages 5 through 16.

Quality Reputation Service

经营理念:诚信为本、永续经营

质量政策:质量优良、客户满意

Idea of operation: Prime in authentication, everlasting operation

Quality policy: Good quality, customer satisfaction

关于久朝

About ChiuChau

公司简介

江苏久朝环保设备有限公司始终保持和老客户的密切关系，并积极开拓新市场，实现持续、稳定、协调的发展。承揽合同、销售收入、利税总额同创历史新高，为公司做了坚实的基础。无锡久朝环保设备有限公司也通过 ISO-9001 质量、管制体系认证。以“**诚信为本、永续经营、质量优良、顾客满意**”为服务宗旨，增强顾客满意度，努力地为国家经济建设和社会提供一流的产品。

Jiangsu Chiu Chau Environmental Protection Equipment Co., Ltd, we always keep good contact with old customers and exploit new market aggressively, realize continue, stable and coordinate development. The agreement contracted, proceeds, income after taxed both create peak in history. In order to affirm the foundation, we passed ISO-9001 quality management system accreditation. We prime the motto of "authentication, everlasting operation, good quality, customer satisfaction" as subject of national economy, providing first class product to society.

厂区:

占地 6,221 平方米、行车 5 吨×4 台、行车 10 吨×4 台、叉车 3.5 吨×1 台、叉车 6 吨×1 台。

Factory area:

It covers an area of 6,221 square meters, 5T overhead crane, 10T overhead crane, 3.5 tons forklift trucks and 6 tons forklift trucks..

质量承诺

- 致力建立执行及维护完善之质量管理体系。
- 以顾客为尊，持续了解客户之需求。
- 如期提供符合顾客所要求之质量与服务。
- 全员参与及持续改善各部门绩效。
- 持续不断提升客户满意度。

Quality commitment:

- endeavors are in the performing and maintaining perfect quality management system
- customer-oriented services to provide personalized service to each particular customer
- offering quality services to the needs of customers on timely basis
- company-wide participation in continuous improvement of performances of various department
- incessant promoting customer satisfaction

生产设备:

动平衡校正机、油压折床、油压剪床、卧式车床、电浆切割机、电焊机、 CO2 电焊机、旋压机、氩焊机。

Manufacturing equipment:

Dynamic Balance, Cutter, Hydraulic Press Brake, Hydraulic Shearing Machine, Plasma Cutter, Electric Welder, CO2 Welder, Spinning Press, Argon arc Welder

检验设备:

频谱分析仪、雷射对心仪、热线式风速计、噪音分贝计、U 型管、电子式压力计、温度计、转速计、皮氏管、薄膜计等风机检验设备。

Laboratory Apparatus:

Spectrometer, Laser Aligner, Thermo Anemometers, Noise Gauge, U-Tube, Electronic Pressure Gauge, Thermometer, Tachometer, Pitot Tube, Film Gauge, Vernier Caliper

售后服务

公司设有客服与维修保养部门，专职售后服务及紧急状况处理，针对客户反应案件进行故障判断、故障原因分析、故障排除，案件分类管理;同时亦可配合客户每年之定期保养。

After services and Customer Complaint Handling:

The Customer Service Department, Repair and Maintenance Department are established TO satisfy service needs and emergency handling, and they are responsible for identification and diagnosis of all customer complaints, cause analysis and trouble shooting. All complaints are categorized and established with file to offer maintenance services on regular basis.

Example of Fan Curve Reading

TF – 3 (Inlet Sound Power)

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet L_{wA} sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 3

FEG 85

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet L_{wiA} sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 4

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 4 1/2

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 5

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 5 1/2

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 6

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 7

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 7 1/2

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 8

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 9

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 10

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

TF – 11

FEG 80

Performance certified is for installation type B, free inlet, ducted outlet. Power rating (kW) does not include transmission losses. Performance ratings do not include the effects of appurtenances (accessories). The A-weighted sound ratings shown have been calculated per AMCA International Standard 301. Values shown are for inlet LwA sound power levels for Installation Type B: free inlet, ducted outlet.

Technology Data

TF - Series

● Fan Dimension

Model	Inlet	Outlet		Body
